MEMORANDUM FOR: Deputy Director for Operations  
VIA: Deputy Director of Central Intelligence  
FROM: Director of Central Intelligence  
SUBJECT: Review of Findings

1. In light of the stringency on the special activity budget, please carefully review all Findings, particularly those which date back more than a year, to see where money can be saved by eliminating those which are no longer of high relevance and scaling down or otherwise reducing those which should still be carried on. I would be particularly inclined to scrutinize closely those involving [REDACTED]

[REDACTED]  
the general one which confronts every government. We must recognize that we need to pay closer attention to protective security in our own government, which has to be our primary responsibility. This includes more intensive efforts to get intelligence on specific threats addressed to our own officials.

2. This request is prompted by the instructions being sent out to [REDACTED] which I commend, as well as by the stringency in our special activity budget.
